## P3's interview with Miss Johnston

### **Did you like school?**

Yes I loved school. I went to this school. I had loads of lovely teachers and friends. My favourite classroom was P1,2 and 3. Mrs Mc Cafferty was my favourite teacher. She told us loads of stories and let us dress up in her fancy clothes and shoes.

### **Do you prefer winter or summer?**

I prefer summer because the days are longer and you have more times to do activities. The sunsets are beautiful .

### **What is your favourite food?**

Gammon is my favourite food.

### **What country would you really like to visit?**

I really want to visit Canada, I have friends who live near the Rocky mountains. I would like to see the beautiful blue lakes and see the snowy mountains.

### **If you had one wish what would it be?**

If I had a wish it would be for my friends and family to be always happy and healthy.

**What is your favourite music?**

I like all kinds of music, country, rock but my favourite is Westlife. My favourite song is 'Up Town Girl'. *The reporters all agree that Westlife are the best!!*

**Tell us about your pets goats.**

Tilly is the Mummy goat, I got her for my 30th birthday. She had 3 kids about 2 months ago. 2 boys and 1 girl. Toby, Tonto and Tess. Last year Tilly had Tommie, Teasy and Tosie. I will be selling the kids soon. They are so much fun. They stand on my back and they can dance on their back legs. They jump on my car sometimes! They love coming into the house too.

**What was your first car?**

My first car was a really old white Corsa called Bert. It had no power steering but it was the best wee car ever. It must have travelled every road in Fermanagh and Donegal.

**What is your favourite colour?**

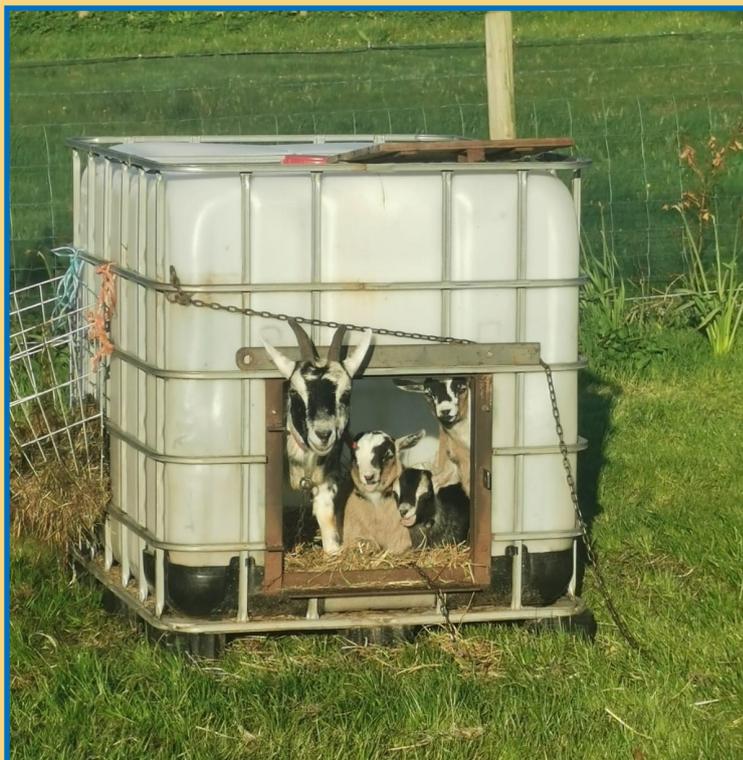

My favourite colour is mustard and yellow like the scarf im wearing today. It is a bright and sunny colour.

**What is your favourite pastime?**

My favouite pastime has to be cold water swimiming in Rosstown beach. I love swimming in the middle of winter

**Would you like to ride in a hot air balloon or a jet ski?**

I would try both but I'd love a hot air balloon trip in the sky, its so pretty up in the sky looking down on everything.

*As we move through our school year to the summer term, let us take a moment to remember any special people who are no longer with us*

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.
